Preamble

We at the Limited Liability Company «AnimaRender» (hereinafter – «AnimaRender») would like to thank you for your interest in the Company's Services. The safety of your personal information is very important to us and we are committed to the protection of data that are collected and processed as you get access and use the Company's Services.

By accessing the AnimaRender's website and services a User consents without reservations to provisions of this Privacy Policy.

AnimaRender provides the safety of personal information received from Users. This Privacy Policy has been designed to specify details that may be requested from Users and ways in which such details may be processed by the AnimaRender or its employees. This Privacy Policy also specifies purposes for which Users' personal information may be requested or disclosed.

This Privacy Policy shall apply exclusively to information received by AnimaRender as a result of use of website and services by Users.

AnimaRender shall use, keep, process and protect User information in accordance with this Privacy Policy, other inner regulations of AnimaRender and legislation of the Armenia.

Receiving and usage of User's information. Purposes of such use.

AnimaRender collects User information exclusively for purposes of technical management of access and use of the Services, to contact Users and for purposes of informing Users about Services. User information might be used in purposes improvement of the Services and also for marketing purposes;

In this Privacy Policy User information means personal information that a User passes to AnimaRender on his or her own when creating an account, registering, etc. and while using a

Service (e-mail address, telephone number, etc.); as well as information automatically received during using of the website and/or using Services (IP, MAC address, registration date, date of the last access, etc.)

The following information may be requested and received during use of the AnimaRender Services:

User information. When a user creates an account and/or registers, AnimaRender requests the user's information such as his or her e-mail address, payment system details, etc. In case

of separate consent with User, Animarender may receive a User's contact details (telephone and/or address book, mobile device contacts).

Information about device and software. Animarender requests and receives details about Users devices and software (version of software, IP, MAC address, etc.) This information might be attached to user's account.

Cookies. AnimaRender may use cookies to provide more comfortable use of website, for analysis of traffic and for collecting data about navigation on website (this includes amount of time User has spent on the website, actions of User, etc.). Also Cookies might be used to receive details of User's location.

Date of use. Following information might be received during use of AnimaRender software: date of registration on the website, date of the last access to website, date of last use of software, etc.

Passing User information to third parties

AnimaRender don't pass User information to third parties, except following cases.

1. As required by current laws. In that case AnimaRender provides User informationif such information is required to be received, used and disclosed for purposes of: implementation of and compliance with current laws, court rulings or lawful requirements of public bodies;
2. In purposes of detecting, stopping and otherwise preventing fraud and remedy oftechnical faults or security issues;
3. In purposes of protection of rights, property and security of the AnimaRender itsServices Users to the extent permitted by current laws.

Security measures used to confidential; information safety

AnimaRender shall take every possible measures to ensure that User information is secure and protected from unauthorized access, modification, disclosure or destruction and other improper use. In particular, the Company shall on an ongoing basis improve ways in which data is collected, stored and processed, including physical security measures, to prevent unauthorized access to the AnimaRender's systems for property theft, phishing and/or other fraudulent purposes. AnimaRender shall also limit access to User information by employees, contractors and agents by providing strict contractual confidentiality obligations with harsh sanctions and penalties for breaches.

In this regard, AnimaRender expect on User's rationality and discretion during usage of their own user account information.

Changes to this Privacy Policy

Animarender shall be entitled to update and change provisions of this Privacy Policy at any time. Any new version of the Privacy Policy shall be effective from its placing unless otherwise provided in such new version of the Privacy Policy. AnimaRender recommends Users to check this Privacy Policy on a regular basis to be aware of the latest version.
